Come & See !

Heard the Rumour?

No we have not closed as some people have reported - but we are into our 20th year now and we would like to give someone else an opportunity to take on our wonderful business. So 2013 is the year we will consider selling! As some of you know, we have a mail order business and that we will continue in other premises, leaving the shop for someone else to love and grow. With the extra space there will be lots of potential for new owners to do what we have not the opportunity to do. Bring it on !

Please contact us if you would like to know more.
